PMES PTA Goals 2016-2017

Volunteering & Advocacy

Enlist the talents of as many individuals and businesses in the community as possible to provide enriching, positive and meaningful experiences and events for the children in the Prospect Mill Community. We will also continue our advocacy efforts as a group by contacting public officials and encouraging them to fund our schools. We will also recruit and support new leadership for the future of the PMES PTA.

Community Outreach

Improved support of community programs such as Ronald McDonald House, as well as for local PMES families in need. Increased involvement in community service projects that benefit PMES & beyond, and to share these experiences with our children.

Membership

Increase membership by 5%. (380 Members)
Special levels offered for corporate memberships, as well as use of Panda Perks as incentive.
“Membership does not mean Volunteering.”
