

Reflections Entry Requirement

Please remind students that the theme is “Heroes Around Me”. While it is important to encourage students to submit the best work they can, interpreting the theme uniquely and creatively is the most important judging criterion.

GENERAL ENTRY REQUIREMENTS

(All participants must also follow arts category and if applicable, Special Artist Division rules)

- Only new pieces of artwork inspired by the current year’s theme may be submitted.
- Each entry must be the original work of one student only. An adult may not alter the creative integrity of a student’s work. Because the program is designed to encourage and recognize each student’s individual creativity, help from an adult or collaboration with other students is not allowed except in the Special Artist Division. Other individuals may appear in or perform a student’s work, but the work itself must be the creative product of one student only. Only one student may be recognized as the award recipient for each entry. *See the specific arts category rules and special artist division rules for details.*
- Each entry must contain a title and all entries must include an artist statement. The artist statement communicates what inspired the work, how it relates to the theme, and the content of the work. The statement must include at least 10 words and not exceed 100 words.
- Use of copyrighted material is prohibited, except for background music in dance choreography and film production entries. If used in dance choreography and film production entries, background music must be cited on the entry form. Plagiarized entries will be disqualified. Use of PowerPoint templates are prohibited.
