

What is Laps for Learning?

It is the **#1 PMES PTA fundraiser**
for the entire year!

All the money raised funds the
wonderful programs PMES PTA
supports.

You and your child can support this fundraiser by
gathering donations from friends, family, and
neighbors. Explain that your child will be running or walking designated laps in
front of the school for 50 minutes during their regular specials period on
October 22, 2014. There are incentives and prizes to help promote the success
of Laps of Learning, and vary based on the level of donation provided.

Don't forget to check with your EMPLOYER as well, to see if they
MATCH CHARITABLE DONATIONS!

100% of your donation benefits the PMES PTA!
Donations are TAX DEDUCTIBLE, too!

*check with a tax professional to determine your eligibility
